February saw our conference come and go; a fabulous spirit filled weekend. Dr John Andrews, our dear friend, delivered a thought provoking conference on "Change" and encouraged us all to not be frightened by change rather consider it normal and necessary for growth. Given the changes a-foot with Pastor Dave and June moving into retirement in June, it was very timely indeed. John enabled us to look forward and not back. To see and celebrate Pastor Dave, while also encouraging Pastors Sam and Beth for the future.

If you missed the conference please talk to others who attended for a full update.

Thank you & Bless you Dr John for the time and love you always invest in LWC. We cannot wait for next year!
